SEPTEMBER 2002

## Naval Postgraduate School

### From the Quality of Life Director...

*As part of the Navy's "Saluting Sailors and Their Families" campaign, everyone at the Naval Postgraduate School is invited to a significant MWR event. On Thursday 19 September your MWR Team will build "The World's Largest Sandwich Ever Made in Monterey!" Lunch will be free to all who show up to celebrate. Who ever said there is no such thing as a free lunch? Plan on joining us on the lawn at Herrmann Hall on the 19th, 12:00-1:30 p.m. for free lunch and lots of fun. Consequently, regular El Prado lunch operations will close on the 19th. We sincerely appreciate the tremendous sacrifices made each and every day by all members of the military, their families, and all those who support them!*

*We've got more great movies in September - Spider-Man, Blade 2, Death of Smoochy, Austin Powers 1: Man of Mystery, and Full Metal Jacket to name a few. You can view our current and coming attractions by going to the Navy Motion Picture Service website at <http://www.mwr.navy.mil/mwrprgms/nmps.htm>. For example, if you click on August releases, you will see that in September we will receive Windtalkers and other great flicks for October viewing. Additionally, by clicking on a movie, you can read a short synopsis. Please note that in September, we received no new G movies. Therefore, Family Night is loaded with Spider-man, which is rated PG13 "For Stylized Violence and Action."*

*We are also in the process of transforming the El Prado Dining Room into a multi-purpose Student Union area. Emerging plans call for redesign of our food service lines to include a national brand coffee/juice bar, establishment of beverage stations, new carpet, paintings, and tables and chairs. This project will occur during FY03 and it is being funded primarily from YOUR MWR dollars! In the immediate future, we will make the El Prado, Trident Bar, and Ballroom wireless so you can enjoy MWR facilities and services while "staying connected."*

*On Saturday Nights in September, we will introduce "Pub Night!" Enjoy the newly renovated Trident Bar and choose from our Pub dinner specials of fresh fish and chips and pot roast of beef with mashed potatoes. A few "Yank" sandwiches and some appetizers will round out the menu. The basic fare for your Saturday night Pub dinner special will be only \$6.50! So come out any Saturday in September, and check us out!*

*On Friday 27 September, join us in the El Prado for a fresh live Maine lobster dinner. Reservations are encouraged but not mandatory (656-2170).*

*Finally, be sure to mark your calendars for Friday 11 October, when we celebrate the Navy Ball. Tickets are on sale now at the ITT office in the lobby of Herrmann Hall.*

*Jim Thomas*

Afford yourself the extra time you need for appointments, to run errands, or just a little adult time to yourself. We have lots of fun!

## CHILD DEVELOPMENT PROGRAM PHILOSOPHY

*Our curriculum is center-based, child initiated and teacher supported with an emphasis on children learning best by doing. Play provides the foundation for academic learning and is the preparation a child needs before they are ready to learn highly abstract thoughts and symbols. A developmentally appropriate curriculum is based on teacher observations and recordings of each child's special interests and developmental progress. We strive to make learning fun for children while providing a warm and nurturing learning environment. Play is the "work" of the child, and in our programs, social and emotional development of the child is our priority.*

*Teaching children to be responsible, independent, and to make their own decisions is an important part of their development. Part of the learning process is to involve the children in all steps of an activity including preparation for the activity, choosing the activity and deciding how to accomplish it, as well as cleaning the area when finished. From there experiences the child will grow and develop to their utmost potential.*

**Accredited by NAEYC's  
National Academy of Early  
Childhood Programs**

***All of our programs are open to active duty military, reservists in active duty status, military retirees, and DOD civilians. Please call 656-2734 for info.***
